PROFESSIONAL SUMMARY

Passionate Web & App Developer with hands-on experience in building responsive and modern web applications using React.js, Next.js, Node.js, and React Native. Skilled in frontend development, API integration, and creating user-friendly interfaces with clean UI/UX practices. Experienced in developing AI-powered applications and optimizing web performance for scalable solutions.

EXPERIENCE

Web Developer Intern (3 Months)	Rhombix Technology
- Developed responsive and dynamic websites using React.js and Next.js. - Collaborated with the team to deliver pixel-perfect UI components from Figma designs. - Integrated third-party APIs and optimized web performance for improved user experience.	
React.js Intern (2 Months)	internee.pk
- Built reusable frontend components and managed application state using modern React practices. - Ensured cross-platform responsiveness with mobile-first design implementation.	
Data Entry Specialist (1 Year)	Hosanna Textile
- Managed high-volume data entry and maintained accurate production records. - Organized inventory data into structured and easy-to-access formats.	

FEATURED PROJECTS

Gemini AI Chatbot https://gemini-ai-chatbot-gamma-vert.vercel.app/	- Built an AI chatbot using Gemini API with a modern and responsive React interface. - Implemented real-time chat interaction and optimized user experience for smooth conversations. - Integrated API handling, loading states, and responsive UI components using Tailwind CSS.
AI Resume Analyzer https://ai-resume-analyzer-blue-chi.vercel.app/	- Developed an AI-powered resume analyzer that evaluates resumes and provides insights. - Implemented resume upload, parsing, and analysis features with a clean dashboard UI. - Focused on performance optimization and user-friendly workflow design.
